Director Emeritus

Tim Lundy, CSEP

More than 20 years ago one of the most influential men in the events industry had the forethought to know that Atlanta was on the move with special events and needed an awards gala just for industry professionals much like the Oscars®, to honor and promote excellence in event design, planning and production.

As an active and trusted member of both the International Special Events Society (ILEA) and the National Association for Catering and Events (NACE), he, along with a committee of other industry visionaries, thought it prudent that the two organizations come together to produce the event – to be allies in promoting the best event and catering achievements held in and/or by Atlanta-based event and catering companies.

The inaugural event was held in 1991 during a broadcast of the Oscars® to a group of approximately 185 event professionals in the greater Atlanta area.

Today, this prestigious awards competition strives for the highest degree of excellence in event planning, design, cuisine, entertainment, technical production and enhancements, and in doing so, has raised the standards and quality of Atlanta's event industry. Events of nearly every type and size will have the opportunity to be recognized in more than 35 categories organized into six specialty areas.

The production of the Allie Awards is the quintessence of the standards and quality we ask for in the events entered to win. As a contributor in the production of the Allies, we ask your company to showcase its talents and creativity to be an outstanding example of how event producers can use innovation and creativity to achieve higher goals.

2017 Sponsorship Donation Opportunities

The Allie Awards is the premiere recognition event for the Greater Atlanta area and Southeastern United States special events industry. On March 5, 2016, the 27th Annual Allie Awards will be held at The Georgia Freight Depot and will present awards to the Southeast's leaders in the event industry. The finalists for these coveted awards represent some of the most talented suppliers, caterers and event professionals in the industry. We offer you the opportunity to support our industry on this very special night.

We anticipate hosting 350+ guests from the meetings, weddings, event and hospitality industry on this night with invitations being sent to approximately 1,200 people with memberships in one or more of the industry associations as well as other organizations. Over 40 coveted awards and honors encompassing more than 50 companies will be presented to some of the best in our industry at the annual gala event in the spring. Allie Awards Inc. is a 501(c)(3) not-for-profit corporation. A portion of the evening's profits will go towards scholarships established for Atlanta hospitality students.
