Then, simply “copy and paste” into the appropriate text boxes.

TIP #2 – You may save your progress at any point during the submission process and go back to it later to edit it. However, you will be charged based on when the entry is completed and paid. You cannot start during the early period and finish during the late period and expect to pay \$100.

The awards will be presented at the Allie Awards on Sunday, March 10, 2019 at The Hotel at Avalon in Alpharetta, Georgia. INDIVIDUAL SPECIAL RECOGNITION AWARDS

DALE RIGGINS HUMANITARIAN AWARD

Shepard Convention Services introduced the Dale Riggins Humanitarian Award in 1993 as a tribute to, and in memory of, their valued employee, Dale Riggins, who made great contributions to the special event industry. This prestigious honor is awarded each year to an individual who donates time, talent, effort, and expertise to community service both within our industry and in our community. The recipients of this award are among the most honored luminaries in our industry.

Consider for a moment the individuals who truly “make a difference” to those in need and whose effects give the Atlanta special events industry its true impact and high profile. Please take time to nominate someone in our industry whom you feel is worthy of this honor.

Nominees should be of high moral and ethical stature and exhibit outstanding professionalism in their service to the special events industry and the community at large. The winner will be selected by the Allie Awards Board and the honor will be presented on awards night.

TIM LUNDY, CSEP RISING STAR AWARD

At the 21st anniversary of the Allie Awards we remembered the entrepreneurial spirit of the team that created the Allies, in particular its founder, Tim Lundy, CSEP. The spirit and intent of this award is designed to honor, recognize, encourage, and inspire a young event professional toward his/her greatest potential in the special events industry.

Nominees shall:

- Be within their first five years in the special events industry
- Be actively involved in the Atlanta events industry and association community
- Have exhibited innovation and leadership and made an impact on their company
- Have clear potential to grow into more responsibility in their company, association organization and the community at large.

BOB BLAESING, CSEP LIFETIME ACHIEVEMENT AWARD

A Lifetime Achievement Award was established in the first year of the Allie Awards to honor individuals in our industry who have made a mark in Atlanta’s events community over their career. Past recipients are event professionals for 20 years or more who are well known for their contributions to the special events industry.

The title “Lifetime Achievement Award” implies a long period of time, and while honoring longevity is good, the key word is “achievement.” We chose in 2004 to honor the late Bob Blaesing, CSEP, co-founder of Experience by Design, by renaming the award the “Bob Blaesing, CSEP, Lifetime Achievement Award.” Bob was a visionary whose philosophy exemplifies what we honor with the Lifetime Achievement Award: nurturing those around us through education, pursuit of ethical and professional behavior throughout the industry, and commitment to the growth of special events. May his spirit live on in those who are honored with this award.

Nominees are put forward by the Allie Awards Board of Directors and Committee Chairs. They will be individuals who have made an impact in the Atlanta events community over the course of their career, through innovation, dedication, and achievement. The winner will be selected by the Allie Awards Board of Directors and the honor will be presented on awards night.

Nominations for these three awards will be accepted via the Allie Awards website and NOT the award entry portal. Please check www.allieawards.com for more information
